

LL.M. (Con) [2018-2019]			
S. No	Programme	Course Code: Course Name	Course Outcome
1	LL.M. (Con)	5MCN101 : Research Methods and Legal Writing	<p>CO1: Appreciate the rationale behind understanding of research and its conceptual aspects.</p> <p>CO2: Analyze the logical steps involved in conducting the research and take it ahead methodically one step at a time.</p> <p>CO3: Understand the practical implication of conducting the research. The students will get a grip of collection of data and the most effective utilization of the same to harness the outcome of research.</p> <p>CO4: Enables the students to draft the often required legal documents for professionals</p> <p>CO5: The practical skill in conducting research will be evaluated on their performance in field research and seminars/ workshops/presentations/ publications.</p>
2	LL.M. (Con)	5MCN102: Comparative Public Law	<p>CO1: Understand Public law of various States</p> <p>CO2: Deal with both regulatory and operational aspects of the above mentioned laws</p> <p>CO3: The student would be able to understand the differences and similarities between laws of different countries.</p> <p>CO4: An understanding of the subject would help the students to better appreciate a particular legal system in the wider socio-political context in which it operates.</p>

3	LL.M. (Con)	5MCN103:The Constitution: Philosophy, History, and Law	CO1: To outline the source and evolution of the Indian Constitution CO2: To understand the historical origin, philosophical foundations of the Indian Constitution CO3: To understand the cultural inter link in development of the principles CO4: Help understand the constitutional government and its working in India
4	LL.M. (Con)	5MCN104: Constitution of India I	CO1: The Constitutional framework in India CO2: The Fundamental Rights and the role played by the judiciary in upholding the same. CO3: The Preamble, Fundamental Right and Directive Principles of the Indian Constitution. CO4: And develop skills in group work, communication, collaboration and presentation
5	LL.M. (Con)	5MCN105: Comparative Constitutional Law	CO1: Understand the Constitutional framework in various countries CO2: Gain a insight into the similarities and differences in the Constitution of various countries CO3: The student would be able to compare the various constitutional rights CO4: The student would have understood insurance as a contract
6	LL.M. (Con)	5MCN201: Law and Justice in a Globalizing World	CO1: Appreciate how globalization has changed the ever evolving concepts of law and justice. CO2: Understand and critically evaluate how different ethnic and indigenous groups are adapting to the changing global scenario.

			<p>CO3: Understand the nature of the international legal order and working of the international institutions in light of globalization</p> <p>CO4: Analyse and appreciate the various mechanisms designed to achieve global justice.</p>
7	LL.M. (Con)	5MCN202: Principles of Constitutional Interpretation	<p>CO1: Appreciate the rationale behind understanding of interpretation of the law.</p> <p>CO2: Analyze the meaning behind the legal framework</p> <p>CO3: Understand the practical interpretation of the provision of law during practice.</p>
8	LL.M. (Con)	5MCN203: Constitution of India II	<p>CO1: Understand the Constitutional framework in India.</p> <p>CO2: Be able to gain understanding of the Union and State Executive, Legislature and Judiciary.</p> <p>CO3: Be able to gain in depth knowledge of the working of the government machinery.</p> <p>CO4: Develop skills in group work, communication, collaboration and presentation.</p>
9	LL.M. (Con)	5MCN204 : Local Self Government and Federal Governance	<p>CO1: The student will get an insight into the introductory aspects, historical and philosophical background of local self-governments.</p> <p>CO2: The student will be familiar with the constitutional scheme for local self-government</p> <p>CO3: The student will be familiar about the structure, powers and functions of rural local self- governments and urban local self-governments</p> <p>CO4: The student will be able to analyse the issue of decentralization and grass root planning of local self-governments</p>

			CO5: The student will have an insight into the modern dimensions of local self-governments
10	LL.M. (Con)	5MCN205: Dissertation	<p>CO1: The logical steps involved in conducting the research and take it ahead methodically one step at a time.</p> <p>CO2: The practical implication of conducting the research. The students will get a grip of collection of data and the most effective utilization of the same to harness the outcome of research.</p> <p>CO3: And enables the students to gain knowledge in the specialized area of law.</p>
